

TMIO, LLC OF CLEVELAND NAMED “BEST OF AMERICA” BY *READER’S DIGEST* MAGAZINE

PLEASANTVILLE, NY (April 10, 2006) – TMIO, LLC of Cleveland, OH has been named “Best of America” by the editors of *Reader’s Digest* magazine. This celebration of the quirky, amazing and truly extraordinary is featured in the May issue, on newsstands April 18.

After speaking to hundreds of experts and ordinary folk, the editors tested, tasted and debated everything from the Best Sandwich to the Best Must-Have Gadgets to the Best Buzz Cut. The resulting list is organized in six categories – Legacies, Passions, Adventure, Innovations, Time Off and Connections.

“Our country is full of hidden treasures, creative products and inspiring stories that often don’t grab the national spotlight,” said *Reader’s Digest* Editor-in-Chief Jackie Leo. “We had great fun putting this lively and surprising issue together.”

Best Remote Control

Forget the Crock-Pot. If your roast needs to go into the oven before you get home from work, try the refrigerated, Internet and phone controlled **Connect Io™ Intelligent Oven™** launched by TMIO of Cleveland last May. Remotely control cooking so that meals are ready when you arrive home—anytime, from literally anywhere in the world. The multi-award-winning Connect Io creates unprecedented mobility for your household, and revolutionizes your lifestyle and cooking experience with dual oven refrigeration, plus telephone and Internet remote control. Cell phone voice and touchtone commands will control any oven function—in real time. The MyOven™ controls you see on your Internet web browser are exactly what you see on your oven control panel at home—in real time. Whether you are on-the-go, stuck in traffic, working late, picking up the kids, or just want to stay at the beach longer, your oven adjusts to your schedule. A true dream appliance for those with busy lifestyles, voilà: dinner is ready when you are.
